Please Help Curb the Feral Cat Population

The City of Perry needs the community's help to curb the feral cat population. The city's cost to deal with this issue is rising and we are looking at ways to try to control this situation. Here is how you can help:

Do not feed feral cats (Violation of City Code 55.17). Make sure possible food sources such as household trash is secured in your bin.

Do not leave water sources outside.

Do not allow your own cat to roam freely (Violation of City Code 55.07).

Close up areas they can take shelter such as sheds, garages and porch areas.

And most importantly - Spay and neuter all of your pets!

If animals are located and the owners are not immediately identified, they will be picked up and transported to the animal control center where you will have to pay a fee to retrieve them.
