## Low- and Moderate-Income Workers

The City of Perry encourages jobseekers to utilize the free job and career services that are available through IowaWorks. As part of the American Job Centers network, the IowaWORKS office in Des Moines serves job seekers and businesses with a number of workforce needs.

IowaWORKS offers programs that offer comprehensive support and resources to individuals looking for work, including career counseling, training programs, resume assistance, and job search guidance. By utilizing IowaWORKS services, workers can gain the skills and knowledge needed to excel in the job market and find the perfect fit for career goals.

### Services Offered Include:

- ❑ One-on-one career assistance
- ❑ Virtual workshops and resume building
- ❑ Connection to training and workforce programs

To take part in the online training opportunities listed above, please visit [www.iowaworks.gov](http://www.iowaworks.gov) and create an account. Once you have logged in, navigate to “Current Month’s Events” and select the preferred event. To take a next step via phone, contact a Title I Career Planner at 515-281-9619.
